Dear President Zacovic:

The Accrediting Commission for Community and Junior Colleges, Western Association of Schools and Colleges, at its meeting January 7-9, 2015, reviewed the Follow-Up Report submitted by Cuyamaca College and the report of the evaluation team that visited Monday, October 27, 2014. The College Follow-Up Report was certified by district and college leadership, including the president of the governing board, the college president, and leaders of the faculty, staff, and student organizations.

Based on the evidence in the College Report and Team Report, the Commission finds that Cuyamaca College has resolved 2013 Recommendations 6, 7, and 8, resolved the deficiencies, and met Standards II.A.2, II.A.2.e, III.A.1.c, III.A.4.b, III.A.6, and IV.B.3.c.

Institutions are expected to meet Eligibility Requirements, Accreditation Standards, and Commission policies at all times during the six-year review cycle. Cuyamaca College must demonstrate to the Commission at the time of the Midterm Report that the recent changes implemented to resolve deficiencies and meet Eligibility Requirements and Standards have been sustained. Cuyamaca College should submit the **Midterm Report by October 15, 2016.**¹

The Follow-Up Report submitted in October 2014 will become part of the accreditation history of the College. The Commission requires that you give the Report and this letter appropriate dissemination to your College staff and to those who were signatories of your Follow-Up Report. This group should include the Chancellor, campus leadership, and the Board of Trustees.

The Commission also requires that the Follow-Up Report and this Commission action letter be made available to students and the public by placing a copy on the College website. *Please note that in response to public interest in disclosure, the Commission now requires institutions to post accreditation information on a page no more than one click from the institution's home page.*

On behalf of the Commission, I wish to express continuing interest in the institution's educational quality and students' success. Professional self-regulation is the most effective means of assuring institutional integrity, effectiveness, and educational quality.

Sincerely,

A handwritten signature in cursive script that reads "Barbara A. Beno".
