## REGISTRATION POLICIES

### DEADLINE DATES AND STUDENT RESPONSIBILITY

Not all classes have the same deadline dates. Deadline dates vary depending on the length of the class. Be sure to pay careful attention to the deadline dates; see calendar on this page and [www.cuyamaca.edu/services/admissions/deadlines.aspx](http://www.cuyamaca.edu/services/admissions/deadlines.aspx). Each class has a specific refund deadline, as well as a specific deadline to Add, Drop without a 'W' and Drop with a 'W'. **It is the student's responsibility to drop a class; do not rely on the instructor to do so. All deadlines are strictly enforced. Always verify your class schedule on WebAdvisor.**

### MAXIMUM UNITS

You may enroll in a maximum of eight (8) units during the summer session districtwide. If you wish to enroll in more units, you will need to obtain an overload authorization form from Counseling on or after the first day of class.

### DUPLICATE CLASSES

You may not enroll in two sections of the same course.

### REPEATING CLASSES

Students will only be allowed to enroll in a course three times if they received a substandard grade (D, F, NP or NC) or withdrew from the class with a "W." Students may not repeat a class if they received a satisfactory grade (A, B, C, P-Pass or CR) except those stated in the Cuyamaca College Catalog. Please visit [www.gcccd.edu/colleges-important-changes/course-repetition.html#details](http://www.gcccd.edu/colleges-important-changes/course-repetition.html#details) for more information on course repetition.

### COURSE PREREQUISITES

Cuyamaca College fully enforces prerequisites and corequisites for all courses as stated in the [college catalog](#). Prerequisite courses taken at another college are not automatically cleared and must be requested by the student two weeks (10 business days) prior to your registration date. Please note: Courses taken at Cuyamaca or Grossmont Colleges are automatically used to clear prerequisites where appropriate.

Prerequisites may be cleared through the following two options:

- I. To clear a prerequisite based on course work:
  - You have taken an equivalent course at another college and have the appropriate documentation, i.e., transcripts, grade reports, AP/IB test scores.
  - You have successfully passed an appropriate Advanced Placement, International Baccalaureate or CLEP exam.
  - You have an English and/or math assessment test from another local area college.

II. To clear a prerequisite based on criteria other than course-work, this is known as “challenging a prerequisite.”

The challenge process is designed for students who believe they have met a course prerequisite through means other than what is listed above. You may challenge a prerequisite based on one or more of the following:

1. You have acquired through work or life experiences the skills and knowledge that is presupposed in terms of the course or program for which it is established.
2. You will be subject to an undue delay in attaining the goal in your educational plan because the college has not made the prerequisite or co-requisite course reasonably available.
3. You can demonstrate that you do not pose a threat to yourself or others in a course which has a prerequisite established to protect health and safety.
4. The prerequisite has not been established in accordance with the District’s process for establishing prerequisites and co-requisites, and has not been established in accord with Title 5.
5. The prerequisite or co-requisite is either unlawfully discriminatory or is being applied in an unlawfully discriminatory manner.

**Prerequisite Clearance/Challenge Process:**

1. Fill out and complete the “Prerequisite Clearance/Challenge Form”.
2. Attach any supporting documentation to your form when submitting your petition.
3. You will be notified within five (5) working days from the date the form is submitted regarding the result of your petition.
4. If approved, you will be able to register in your class on WebAdvisor. If you are having difficulty please contact the Counseling Department at 619-660-4429.

**AUDITING COURSES**

1. Audit enrollment will not be permitted until students have completed the allowable number of repeat courses. Courses are determined through agreement between the department and the appropriate administrator. Priority class enrollments are given to students desiring to take the course for credit. No student will be permitted to enroll for audit purposes until Monday of the third week of instruction.
2. A nonrefundable audit fee of \$15 per unit plus any required student fees or instructional materials fee (e.g. student health fee, representation fee and student center fee) shall be payable at the time of enrollment as an auditor. **Fees are not refundable.**
3. Students enrolled in classes to receive credit for 10 or more semester credit units shall not be charged a fee to audit three or fewer units per semester. If the student drops below the 10-unit level, the \$15 per unit audit fee will be assessed.
4. Audit enrollment will be based on “seats available” and will not be used to count toward minimum enrollment requirements. If a class closes after an auditor has been admitted, the auditor may be asked to leave to make room for the credit students. Instructor discretion is strongly recommended. Audit enrollments which allow faculty to be eligible for large class bonus will not be counted.
5. No student auditing a course shall be permitted to change his or her enrollment in that course to receive credit for that course.
6. Permission to audit a class is done at the discretion of the instructor and with the instructor’s signed permission.
7. No credit will be received for auditing a course. The College will not maintain any attendance or academic records for MIS reporting.

**AUDITING PROCESS**

- 1) Obtain the Course Audit Application form from the Admissions and Records office.
- 2) Verify you have a current application on file. Student must be eligible to enroll in for-credit courses in the semester they wish to audit a course.
- 3) Obtain approval from the instructor to audit the course. Form cannot be submitted prior to Monday of the third week of instruction.
