

Business & Professional Studies

Academic & Career Pathway

First Semester Map Suggested Initial Coursework

This First Semester Map is a suggested start for students interested in majors within the Business & Professional Studies Academic & Career Pathway (ACP). This suggested initial coursework will guide you through the first semester as you explore specific major requirements and solidify your educational goal. Depending on your exact major and long-term goals, your course plan may vary. Visit department web pages for more program information and preview degree maps. A part of your path to success is meeting with a Counselor to develop your own personalized, Comprehensive Education Plan (CEP).

Careers you can explore...

Diverse program offerings are staffed by experts across various disciplines in this field. The Real Estate Program prepares students for various real estate fields, including careers as real estate agents, property managers, and more. The Business Programs provide over two dozen courses, ranging from Entrepreneurship and Management to Accounting, setting graduates on paths towards successful careers as entrepreneurs, managers, and accountants. Our Paralegal program, accredited by the American Bar Association, ensures graduates are well-prepared for roles in legal support, while Business Office Technology offers students the choice of an Associate degree or certificates, opening doors to administrative and office management positions.
