

# Cuyamaca College Botanical Society

## Awards Fund

We want to thank you for your interest in supporting the Ornamental Horticulture students of Cuyamaca College. The scholarship and awards program was established in 1982 and presents awards to students each spring at the Annual Scholarship and Awards Banquet. Your contribution will help students obtain their educational goals and enter into the horticulture industry. For those that wish to establish a named award, we would like to have you as our guests at the Annual Scholarship and Awards Banquet.

*Yes, I would like to support horticulture students and their educational goals.*

Name of contributor (individual, company or organization):

---

Amount of contribution: \_\_\_\_\_

If contributing \$500 or more, do you want to name the scholarship?  Yes  No

## Cuyamaca College Ornamental Horticulture Award Criteria

**Please Place and "X" in the appropriate box or boxes below**

Note: **PREFERRED CRITERIA:** Checking one or more of the "Preferred Criteria" means applicants that meet the criteria will be given preference in the award. The award will then be given to the most appropriate candidate based on department recommendation and the candidate's application. We are unable to designate awards for a particular student. We are unable to release your recipient's name until after the CCBS Scholarship and Awards Banquet.
