

Wayne Ross *Running for Part Time Faculty Senate Officer*

I am running for Part-Time Faculty Senate Officer. I enjoy giving voice to those who may not have the time, energy, or confidence to voice their own opinions in large or important meetings. Additionally, I am driven by curiosity and understanding how choices are made at the administrative level and which decisions are driven by personnel voice. Lastly, I try to understand the concerns of PT Faculty consistently in our own department meetings, and while being PT could mean the majority of your time and energy are spent elsewhere, want to contribute as much as those who are FT at the campus.

Thank you for your time and consideration.

Wayne Ross
