APRIL  
30

**2PM-3PM | EXPLORE HBCU**

Presented by: Dr. Auzout Settle, Partnership Relations Coordinator, El Camino College  
Historically Black Colleges and Universities (HBCUs) have a rich legacy and long tradition of promoting and offering higher education for Black Students along with other historically racially marginalized populations in the United States. HBCUs not only offer an elite education, but a culturally validating experience for Black students which is centered on their histories, experiences, resilience, achievements, and excellence. Participants will learn about the transfer pathway to HBCUs
